Veterinary Technician or Experienced Assistant

Are you a highly relational veterinary professional with top-notch client education skills?
Do you have an interest in exotics or some special training in animal behavior!

We have an exciting opportunity for a full-time Veterinary Technician or Experienced Assistant. Qualified candidates will have experience in:

- Blood Draws, X-Rays, Labs
- Understanding Patient Charts
- Talking though Pet Histories
- Animal Restraint
- Vaccine Knowledge
- Educating Clients

Surgical experience and experience placing IV catheters is not required but is considered a plus! An interest and knack for social media, specifically Facebook, business approaches would be ideal.

To be considered for this position, submit a copy of your resume using the form below. Don't miss your opportunity to join this incredible team today!
